Valérie Vandecaetsbeek specializes in public procurement law, administrative law, and she has a particular interest in environmental law.

She mainly handles matters concerning spatial planning and urban planning, expropriations, environment, local and regional taxes, public procurement law, and energy law.

Valérie obtained a Master of Laws, cum laude, from Hasselt University in 2019. During her studies, Valérie completed internships as a volunteer at the Belgian Constitutional Law and the Belgian Council of State. Valérie also gave her time to Huuradvies Hasselt and offered free advice to tenants and landlords. She was also involved in the student association Themis as

vice-chair (among other roles) during her studies.

Valérie is a member of the Limburg Bar and has joined Monard Law since September 2019.
